A sequence of four diagrams illustrating the decomposition of 10 into 2 and 8 using ten blocks. The first diagram shows a single row of 10 blocks. An arrow points to the second diagram, which shows 2 blocks in the first row and 8 blocks in the second row. Another arrow points to the third diagram, which shows 4 blocks in the first row and 6 blocks in the second row. A final arrow points to the fourth diagram, which shows 6 blocks in the first row and 4 blocks in the second row.
