

Audio Usage Tutorial

I. Feature Introduction

Audio courses are courses with audio content that need to be pre - recorded. They are convenient for students to listen and learn online.

II. Purpose of Use

Provide training to students with various types of courses.

III. Usage Scenarios

Suitable for students to learn on the go during their commute, making use of fragmented time.

IV. Operation Path

Merchant side: Corporate Training Management Console → Courses → Audio

Student side: H5 Academy → Course Homepage

V. Usage Tutorial

1.png

Step 1: Configure the audio course *(Management background)*

1. Log in to the management console. Select [Audio] from [Courses] → [New Audio].

2.png

(Management background - Courses - Audio)

2. After entering the new audio page, fill in the audio name, upload the audio, upload the cover, and fill in the detailed information.
