

Common Questions about Kuaishou Relay

Q: For a live stream rebroadcast to Kuaishou, do I need to click 'Start Live' on Kuaishou after the live stream starts?

A: No need if you use the one - click rebroadcast to Kuaishou. If you use the Kuaishou streaming address to rebroadcast to Kuaishou, you need to click 'Start Live' on Kuaishou.

Q: Can I view the replay of a live stream rebroadcast to Kuaishou on Kuaishou?

A: Kuaishou has a replay function. You can turn on the replay switch for the rebroadcast live stream on Kuaishou.

Q: When elink rebroadcasts a live stream to Kuaishou, will the Kuaishou live stream end automatically after the elink live stream ends?

A: No. After the elink live stream stops pushing, you need to manually end the Kuaishou live stream.

Q: Does the live stream of a trial - version online store support rebroadcasting to Kuaishou?

A: Yes, it does.

Q: How many elink live streams can a single Kuaishou account receive for rebroadcast at the same time?

A: A single Kuaishou account can receive at most one elink live stream for rebroadcast at the same time. If there is an overlap in the rebroadcast time using the same Kuaishou account, the new live stream will overwrite the old one.

Q: Do I need to reset every time I create a new Kuaishou rebroadcast?

A: If you have previously bound a Kuaishou account, when creating a new live stream, it will automatically bind the account and cover image of the previous live stream that was in the 'ended' state and was rebroadcast using a Kuaishou account. You can modify them.

Q: When users watch a live stream rebroadcast to Kuaishou, can they synchronously participate in the relevant interactions of the elink live stream, such as co - hosting?

A: Rebroadcasting to Kuaishou is limited to the rebroadcast of the live - stream picture.

Other interactive capabilities will not be synchronized. Co - hosting, live commerce, etc. initiated in the elink live stream can only be participated in the elink live - stream room and cannot be participated in the Kuaishou live - stream room.

Q: Can I use the method of filling in the Kuaishou streaming address for rebroadcast?

A: Yes. You can obtain the Kuaishou streaming address and use the third - party rebroadcast function. For the specific tutorial, click https://helpcenter.xiaoe-tech.com/#/problem/detail?document_id=doc_5f6c4d59a1a00_Cu4yM. Note: After starting the live stream, you need to click 'Start Live' in the Kuaishou live - stream room.
