

How to become a general promoter?

Ways to become a general promoter are as follows:

I. When no joining conditions are set

1. All users will automatically become promoters after clicking "Promotion Center" - "Apply to be a Promoter";
2. After students click the recruitment link for promoters provided by the merchant and then click "Apply to be a Promoter", they will automatically become promoters;
3. Users can accept invitations from other promoters, scan the QR code on the invitation poster of other promoters to enter, and then click "Apply to be a Promoter" to automatically become promoters.

II. When joining conditions are set

1. All users click "Promotion Center". After meeting the conditions, they can click "Apply to be a Promoter" to automatically become promoters;
2. Students click the recruitment link for promoters provided by the merchant. After meeting the conditions, they can click "Apply to be a Promoter" to automatically become promoters;
3. Users can accept invitations from other promoters, scan the QR code on the invitation poster of other promoters to enter. After meeting the conditions, they can click "Apply to be a Promoter" to automatically become promoters.

Notes:

1. If the recruitment is closed [Marketing - Promoters - Promoter Management - Recruitment Rules - Promoter Recruitment - Close], all users cannot become promoters;
2. If recruitment review is enabled [Marketing - Promoters - Promoter Management - Recruitment Rules - Promoter Recruitment - Enable], all users need to submit an application and wait for the merchant's review.
