

If the recruitment of promoters is closed, can the previous promoters continue to promote normally?

Promotion can still be carried out normally.

If merchants no longer need to recruit promoters, they can choose to close the recruitment. After closing, users who have already become promoters can still promote and earn money normally. It's just that no new promoters will be generated after closing. The path to close is [Marketing - Promoters - Settings - (Rule Settings) - Recruitment Plan - On/Off].
