

Promoter Function Service Agreement

□ Important Notice□

Before using the elink Online Store Promoter function, please carefully read and understand the Promoter Function Service Agreement (hereinafter referred to as "this Agreement"), especially the clauses that are marked in bold, underlined, or in other reasonable ways to draw your attention, which may have a significant impact on your rewards. These include but are not limited to relevant exemption clauses, clauses restricting rights, laws applicable, and dispute resolution clauses.

If you do not agree to any or all of the clauses in this Agreement, especially the aforementioned clauses, please immediately stop the process. Once you click to confirm on the web page or actually use the promoter function, it shall be deemed that you have read, understood, and agreed to sign this Agreement, and voluntarily accept and abide by all the provisions of this Agreement.

If you have any questions, comments, or suggestions regarding the content of this Agreement, you can contact us via the customer service hotline (400 - 102 - 6665).

Article 1: General Provisions

1.1**The Promoter Function** refers to the marketing tool function provided by elink to merchants, hereinafter referred to as "this function".

1.2**Merchants** refer to individuals or organizations that use the elink Online Store SaaS service and activate the promoter function.

1.3**Promoters** refer to individuals who sign this Agreement, complete the registration according to the activation process, and register as promoters recruited by merchants to help promote the merchants' products or services.

1.4**Rewards** refer to the rewards obtained by promoters during the process of promoting products or services.

1.5**Promoter Orders** refer to orders generated through the promotion behavior of promoters.

1.6 This Agreement has the same legal effect as the elink Service Agreement. For matters not covered in this Agreement, all parties shall comply with the relevant provisions of the elink Service Agreement. If there is any conflict or inconsistency between the clauses of this Agreement and the elink Service Agreement, this Agreement shall prevail, but only within the scope of such conflict or inconsistency.

Article 2: Notes on Using the Promoter Function

2.1**Merchants and promoters shall not engage in the following behaviors when using this function:**

(1) Illegal and criminal acts;

(2) Publishing content that violates laws and regulations, public order and good customs, or infringes on the intellectual property rights and other rights and interests of third - parties;

(3) Promoting counterfeit and shoddy products or false services.

2.2 Merchants and promoters shall not publish promotional content containing the following:

(1) Content that violates the prohibitive provisions of national laws and regulations;

(2) Political propaganda, feudal superstition, obscenity, porn, gambling, violence, terrorism, or content inciting crime; [Manual adjustment required]

(3) Fraudulent, false, inaccurate, or misleading content;

(4) Content that infringes on the intellectual property rights of others or involves the trade secrets and other proprietary rights of third - parties;

(5) Content that infringes on the personal information of others;

(6) Content that insults, slanders, intimidates others, or involves the privacy of others and infringes on the legitimate rights and interests of others.

(7) It contains malicious software or program codes such as viruses, Trojans, and web crawlers that may damage, tamper with, delete, or affect the data or personal profiles of elink or third - parties.

(8) Other content that violates social public rewards, public morality, or is not suitable for publication according to the rules.

Article 3 Special Agreement on Services

3.1 Merchants need to follow the instructions to activate and use the Promoter function and self - set the promoter recruitment, product promotion information, etc.

3.2 When individual users apply to merchants to become promoters, they need to operate according to the page instructions and submit relevant personal information as prompted on the page. You agree and acknowledge that after you apply to become a promoter, elink and the merchant can obtain your personal information.

3.3 The rewards, reward ratios, and reward settlement periods for promoter orders shall be determined by the merchant and the promoter themselves. If the merchant needs to charge taxes or other related fees on the rewards, it shall be negotiated and confirmed by the merchant and the promoter. If the actual settled rewards are reduced as a result, the promoter and the merchant shall resolve it through negotiation. At the same time, the promoter needs to comply with relevant tax regulations and pay taxes on their reward income independently in accordance with the law.

3.4 The fund settlement for promoter orders is provided by WeChat Pay. Promoters need to ensure that their personal WeChat accounts have WeChat Pay enabled and are in normal use. Any losses caused thereby shall be borne by the promoter themselves.

3.5 If there are after - sales issues with the promoted products or services, the promoter needs to promptly report to the merchant and jointly handle the after - sales issues with the merchant.

3.6 If a consumer initiates a refund for a promoter order and it meets the refund rules, the merchant needs to refund the full amount according to the refund request and follow the following principles:

(1) If the promotion reward has been credited to the promoter's WeChat account, the refund of this order will not affect the already - issued promotion reward.

(2) If the promotion reward has not been settled and credited to the promoter's WeChat account, after the refund of the promoter order is successful, the promotion reward for this order will no longer be issued.

3.7 elink only provides technical support. The rewards, reward ratios, reward settlement periods, and reward issuance generated during the promotion process need to be communicated and handled by the merchant and the promoter themselves.

Article 4 Termination of the Promoter Function

4.1 The conditions for activating, suspending, and terminating the promoter function are set by the merchant. You should understand the various settings of the promoter conditions from the merchant before applying to become a promoter. Clicking on this agreement to apply to become a promoter means that you have known and agreed to the merchant's settings for promoters.

4.2 In the following situations, the promoter's status as a promoter will be terminated:

(1) The promoter voluntarily cancels the account midway;

(2) The promoter and the merchant confirm the termination or suspension of the promoter service by themselves;

(3) The promoter violates the merchant's rules, elink's service agreement, or other rules.

Article 5 Exemption Clause

5.1 If there are legal disputes between the merchant and the promoter due to the use of the promoter function, the two parties shall handle it by themselves, and elink shall not bear any liability.

5.2 If the actions of the merchant and the promoter cause losses to elink and/or its affiliated companies (including but not limited to direct economic losses, loss of goodwill, and indirect economic losses such as compensation paid to third - parties, settlement fees, lawyer's fees, and litigation fees), they shall compensate elink and/or its affiliated companies for all the above losses.

5.3 If the actions of the merchant and the promoter cause elink and/or its affiliated companies to be claimed by a third - party, elink and/or its affiliated companies can recover all the losses from the relevant parties after fulfilling their monetary payment obligations to the third - party.

Article 6 Others

6.1 The formation, validity, performance, interpretation, and dispute resolution of this agreement shall be governed by the laws of the mainland region of the People's Republic of China (excluding conflict of laws). [Manual adjustment required]
