

What is the commission settlement period?

1. When the merchant sets to settle the commission immediately, the promoter can **in real-time** receive the commission after each order is completed. 18542100_1640143700.png

2. When the merchant sets to delay the commission settlement, **after the set number of days has passed** the promoter can **in real-time** receive the commission. 58800300_1640143797.png
