How many times can students leave reviews after purchasing products?

Each time a learner purchases a product, they can leave a review for that product.

In what order are product reviews displayed?

The display logic of physical product reviews is in reverse chronological order.

How many times can merchants reply to reviews?

Currently, each comment only supports one reply.

Where can I set the switch for reviews of physical products?

Enter the Online Store management backend, find [Transactions] - [Transaction Settings]. In the [Product Settings] module, find [Product Reviews], click to set it up and enable the display.
