

How can learners find the courses they've purchased from me?

I. Scenario Description:

After purchasing a course, learners can quickly find their purchased courses through the following methods.

II. Methods:

Learners can search for the [elink Mini Program] on WeChat or download the [elink APP] to view their purchased courses.

III. Specific Operation Reference:

1.WeChatScan the QR code to identify the [elink Mini Program]. Select/Switch the store to view all purchased courses.
